

Through the generosity of our customers and employees, Chesapeake Utilities Corporation has been able to provide thousands of dollars in energy assistance to our neighbors in need.

Your tax-deductible contribution to the SHARING program will help keep families who are less fortunate warm this winter. To make a donation, please complete this form and enclose your one-time donation (no cash please) with your gas bill in the envelope provided, or we can automatically bill your account each month for monthly donations. You may also mail this form in a separate envelope but please provide postage.

On behalf of the volunteers who administer the SHARING program, as well as those who receive funding, we thank you for your thoughtfulness!
